RESPONSE TO RESTRICTION REQUIREMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This paper responds to the Restriction Requirement mailed on December 4, 2001, for which a response is due on January 3, 2002. Since this response is filed timely, *i.e.*, by January 3, 2002, no fee is required for filing this Response.

Claims 1-79 are restricted to groups I through XX.

In response to the Election/Restriction requirement, Applicant provisionally elects Group X (Claims 36-38, 49-56, 68, 69 and 72-77)) with traverse. Applicant respectfully submits that there is an unified feature among Groups I through XX and can be searched in the same class and subclass, *i.e.*, class 424 and subclass 278.1. Accordingly, there is no additional search burden on the Examiner. Applicant respectfully requests Groups II through XX be joined with Group I.

Applicant expressly reserves the right under 35 U.S.C. § 121 to file a divisional application directed to the nonelected subject matter during the pendency of this application, or an application claiming priority from this application.

Applicant requests examination of the elected subject matter on the merits.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing 494492000100. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: January 3, 2002

Respectfully submitted,
